ROCKNOLL

NURSERY

for Better Gardens

FOSTER, OHIO

HOW WE SERVE YOU

It has always been the policy at ROCKNOLL NURSERY to grow only the hardiest varieties of plants and those best suited to average garden conditions. All of our plants are grown with one thought in mind—to produce a healthy, sturdy young plant that will transplant successfully from our nursery to your garden.

We wish especially to point out that our plants are all strong vigorous ones, not stunted by last year's drought or weedy overgrown stock left from the year before. All our plants are carefully grown under irrigation in the finest possible soil.

Whether you come to the nursery for your plants or whether we deliver or ship them to you, every plant must be in first class condition and properly packed.

WHEN WE SHIP

We ship from the end of February till June and in the fall from September 15th till the ground freezes hard.

DELIVERY

All orders of \$3.00 or more will be delivered free except those few items marked "NOT PREPAID." On orders under \$3.00 please enclose 15% for packing or postage, otherwise we will send parcel C. O. D. for the delivery charge. All Seed Prepaid.

GUARANTEE

We guarantee all of our plants to be absolutely as represented in this catalog and to reach you in good condition. Should any of our plants fail to grow and you honestly feel that it is thru some fault of ours and not due to the weather, soil, or culture we will gladly adjust the matter with you.

LET US GIVE YOU \$2.00

For every order totaling \$10.00 or more we will give you your choice of any items in this catalog to the value of \$2.00.

When you have your order made up and it lacks but a very little of being \$10.00 perhaps you have a friend or a neighbor who will order enough with you to make your order total \$10.00.

In other words you order \$12.00 worth of plants and send us only \$10.00. You get \$2.00 absolutely FREE.

VISIT ROCKNOLL NURSERY

We are located directly at the north end of the new Foster Viaduct road improvement.

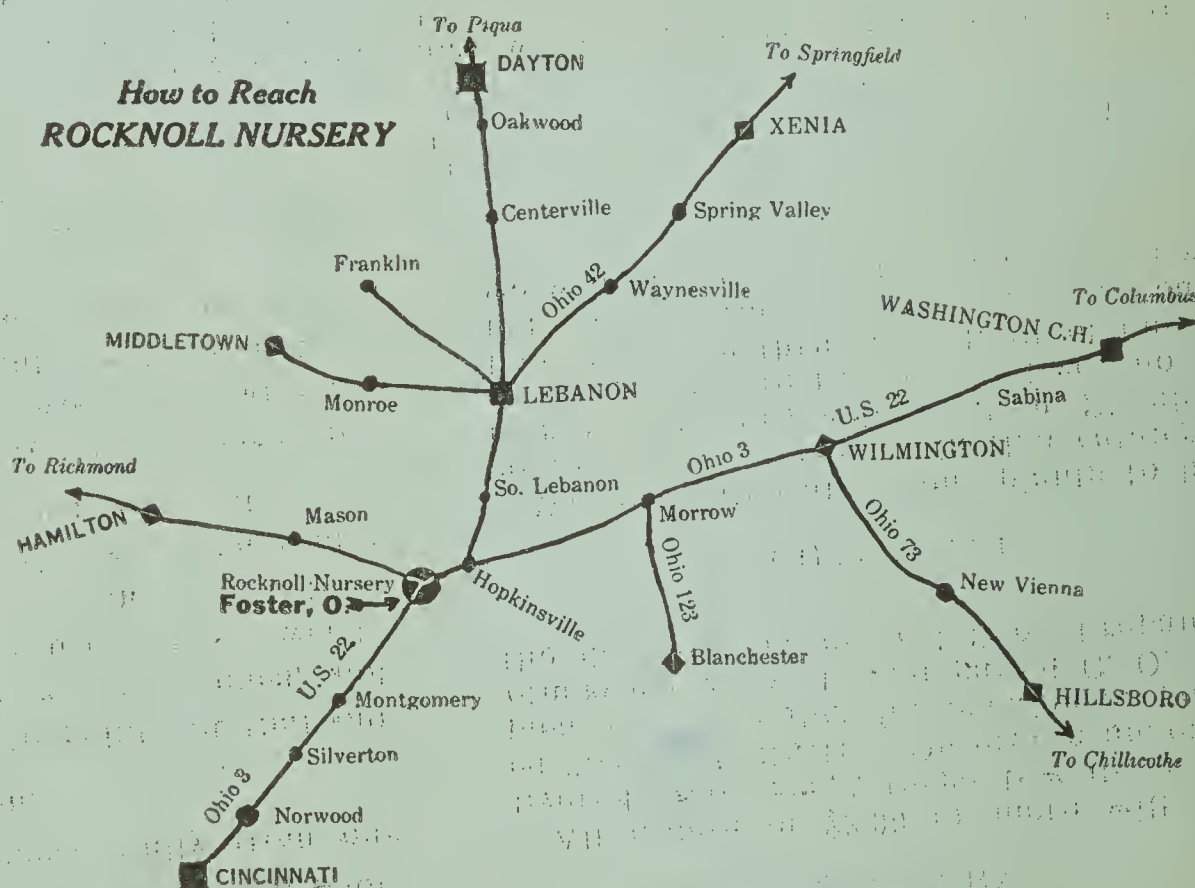

Please visit us and see for yourself how carefully we grow our plants and prepare them for your garden.

Bring your problems with you. We are always glad to help make your garden more beautiful.

There is always something of interest in our gardens featuring over 10,000 specimen plants properly planted for you to enjoy.

Phone Loveland 482-3.

How to Reach ROCKNOLL NURSERY

The Swiss Stone Pine will dignify your rock garden

AQUILEGIA LONGISSIMA

AQUILEGIA LONGISSIMA. A rare native of Texas with longest spurs of any Columbine. The large upright flowers are clear yellow with lavender shadings. 50c; \$5.00 doz.; Seed 50c pkt.

AQUILEGIA.—CRIMSON STAR. Spurs and outer petals form a bright crimson star around the creamy white center. 35c; \$3.50 doz. Seed 20c pkt.

AQUILEGIA CLEMATIFLORA. Clematis Flowered or Spurless Columbine. Large spurless Columbines of many fine shades. A real novelty. Seed only. Large packet 40c. See Page 13.

ARABIS ALPINA.—ROSABELLA. Pink Rock Cress. A really pink rock cress forming tight compact plants. Worthwhile. 35c; \$3.50 doz.

JAPANESE CASCADE CHRYSANTHEMUM. The forerunner of a race of prostrate or creeping Mums. Planted at the top of a bank or rockery it will form a cascade of living lustrous pink all thru October. 35c; \$3.50 doz.

GAILLARDIA SUN GOD

SWAN DAISY. A truly reliable double daisy that flowers from Decoration Day thru June. Flowers are large and perfect in form. 25c; \$2.50 doz.

GAILLARDIA SUN GOD. The free flowering pure golden yellow Gaillardia that has become indispensable. The 4 inch wide flowers are borne on sturdy 2 foot stems. Be sure to try this. 35c; \$3.50 doz.

GAILLARDIA RUBY RED (Barnes Ruby). The Brilliant Red counterpart of Sun God. Has no hint of yellow or brown in its handsome flowers. As it flowers all summer it is excellent for cut flowers. 50c; \$5.00 doz.

STATICE CASPIA

PINK BABY BREATH.—Gypsophila Oldhamiana. The pink form of the tall baby breath. Blooms in late summer and fall when the others are done. Strong plants. 30c; \$3.00 doz.

GYPSOPHILA ROSENSCHLEIR. This new double pink creeping baby breath from Europe is beautifully described by its German name—Rosenschleir—a rose colored veil—which it indeed becomes when planted in the rockery. 40c; \$4.00 doz.

PRIMULA HELEN MAAG. See front cover. This beautiful hardy primrose of deep rose flowers with a golden star for a center will thrive in a shady spot. 35c; \$3.50 doz.

STATICE CASPIA. A beautiful dwarf Sea Lavender covered in summer with a profusion of graceful lavender blue flowers. The deeply cut foliage alone makes this worthwhile. 35c; \$3.50 doz.

Rocknoll's Hardy Plants

for Better Gardens

ANEMONES or WIND FLOWER

Spring Flowering

Alpine Anemone (*Anemone Pulsatilla*). For the sunny rock garden. Large velvety purple flowers in great profusion in April and May. Plant early. 17c; \$1.63 doz.

Woods Anemone (*Anemone sylvestris*). For semi-shady locations. Beautiful pure white flowers on 12 in. stems. April till June. 22c; 3 for 53c; \$1.99 doz.

ANEMONE PULSATILLA

Fall Flowering

Japanese Anemones
25c; 5 for \$1.00; \$2.11 doz.

Beautiful easily grown Windflowers that flower from early September till the ground freezes.

ALBA, single white, early.

QUEEN CHARLOTTE, double clear pink.

PRINCE HENRY, double red, late.

RUBRA, semi-double red, early.

WHIRLWIND, beautiful double white, late.

HUPEHENSIS, dwarf rock garden subject, lavender and pink flowers.

HARDY ASTERS

ALPINE ASTERS. — Sub Coeruleus.

ARTEMIS. Full lavender pink asters on 8 inch stems. April and May. 19c; 3 for 49c.

LEICHTLINI. Immense stately asters in May and June. Deep purple flowers with rich golden centers, 10 to 12 inches. 25c; 5 for \$1.00

ASTER FRIKARTI. — WONDER OF STAFI. One of the most beautiful and worthwhile plants ever introduced. Large flowers of lavender violet with big yellow centers. In bloom from late July till frost. 2½ ft. Excellent for cutting. 35c; \$3.39 doz.

MICHAELMAS DAISIES

19c; 3 for 49c; \$1.79 doz.

MRS. RAYNOR. Extra large flowers of a very beautiful deep red shade. Good foliage.

WHITE CLIMAX. Pure white flowers of wonderful texture and size.

QUEEN MARY. Splendid for cutting. Its finely frilled flowers are of deep sky blue. Very free flowering. 4 feet.

SUNSET. Perhaps the best pink Michaelmas Daisy. Does not lose its clear pink tone.

DWARF BORDER ASTERS

A new race of low growing asters that flower during August and September. Easy and showy.

20c each, 6 for \$1.00, \$1.89 dozen

COUNTESS OF DUDLEY. Large clear pink with yellow centers cover the 9 inch high bushlets in September.

LADY HENRY MADDOCKS. Free flowering pale pink flowers in great profusion in late August.

LILAC TIME. See description after Ronald.

MARJORIE. A charming compact plant flowering in early September with large flowers of clear bright rose pink. 1 foot high.

NANCY. Later flowering and very fine. Pale pink flowers on dainty compact foot high plants.

RONALD. The smallest and one of the best. The lilac pink flowers are at their best in August.

LILAC TIME. One of the newest varieties. Lovely soft lilac flowers produced in great abundance in September and October.

SNOWSPRITE. Forms dense cushion of large clean pure white flowers. Effective to bring out the other colors. About 10 inches high.

VICTOR. We like this Best. First to flower with beautiful clear lavender blue flowers. 1 foot high.

Beautiful Columbine

Strong Flowering Sized Plants

LONG SPURRED VARIETIES

DOBBIES IMPERIAL HYBRIDS. A famous variety with blue and purple shades predominant. Way and above the average. 15c; \$1.29 doz.; 25 for \$2.39.

BARR'S GLORY STRAIN. An exceptional strain of large thrifty plants in an unusual color range. Flowers are enormous and wide faced. 21c; \$1.89 doz.

AQUILEGIA LONGISSIMA. See Novelties, Page 3.

AQUILEGIA CRIMSON STAR. See Novelties, Page 3.

HENSOL HAREBELL

A sturdy variety with short spurs but perfectly immense open flowers of brilliant lavender blue. Novel. 25c; \$1.89 doz.

ALPINE COLUMBINE

AQUILEGIA PYRENIACA. A tiny plant but six inches high with very large blue short spurred columbines. A gem for the rock garden. 27c; 3 for 69c.

ALPINE COLUMBINE

ARABIS - ROCK CRESS

Double Rock Cress. Forms striking mounds of double snow white flowers. Loves sun and good drainage. Vastly improved over the single form. 25c; 5 for \$1.00.

Rosabella. See Novelties, Page 3.

CHINESE FORGET-ME-NOT.— *Anchusa Myosotidiflora*. From earliest spring till June the lovely Forget-me-not flowers are freely produced on 10 inch stems. Loves shade and good soil. Plant with Bleeding Hearts for good effect. 20c; 6 for \$1.00; \$1.89 doz.

BLEEDING HEARTS

Dicentra Spectabilis. The old fashioned but ever good bleeding heart. Graceful sprigs of carmine red hearts amid fern-like foliage in April and May. 27c; 3 for 73c; \$2.79 doz.

Dicentra Eximia. Plumy Bleeding Heart. Dwarf plants with beautiful foliage studded all summer with foot high wands of coral red flowers. Shade. 21c; 6 for \$1.00.

ARMERIA LAUNCHEANA

AUBRIETIA - WALL CRESS.— *Hybrids*. Charming mat forming plants completely covered in April and May with small but very showy flowers ranging from violet red to soft pink. Plant early. 20c; 6 for \$1.00; \$1.89 doz.

PERSIAN CANDYTUFT.— *Aethionema*. Glaucous evergreen bushlets covered in April and May with fragrant showy pink flowers. 10 inches. Excellent for the sunny rock garden. 20c; 6 for \$1.00; \$1.89 doz.

SEA THRIFT— *Armeria Lauchena*. Everflowering rosy red flowers on emerald green mounds. Without doubt the best of the sea thrifts. 19c; 3 for 53c; \$1.79 doz.

BASKET OF GOLD.— *Alyssum Saxatile Compactum*. Flowers in earliest spring with showers of golden yellow flowers over grey tufts of foliage. 10 to 12 inches. 15c; 3 for 39c; \$1.39 doz.

CHRYSANTHEMUMS For

MRS. H. HARRISON

The hardy Chrysanthemums are justly the most popular flower for the fall garden. They fill the bright autumn months with still brighter flowers of a great variety of color. We present here a comprehensive collection of the finer types of Chrysanthemums. All will flourish in the average sunny garden.

THE CUSHION MUMS

These are the finest of the dwarf Chrysanthemums. We absolutely guarantee these to be the true dwarf varieties and of the colors described. Be sure to try some of these.

BRONZE CUSHION. Opening rosy bronze and turning to bronze. 12 inches high. Opens early in September. Excellent. 75c; 3 for \$1.89.

RED CUSHION. Smaller bright red flowers on 15 inch bushlets. A strong grower but rather late flowering on some soils. 75c; 3 for \$1.89.

WHITE CUSHION. Lovely white flowers opening with golden yellow centers. A little taller than the others but good. At its best the first week of October. 75c; 3 for \$1.89.

PINK CUSHION. The old reliable dwarf cushion Mum cloaked from July till frost with thousands of beautiful pink flowers. 19c; 7 for \$1.00; 25 for \$2.89.

Finest Named Chrysanthemums

We have been quite a while getting together this collection of the finest named Chrysanthemums. All are early flowering, beautiful clear colors, with sturdy stiff stems. We recommend them very highly.

16c; 6 for 79c; \$1.49 doz.

ALLADIN. Warm coppery Bronze overlain with apricot. Often starts flowering in late July and continues till frost.

BARBARA CUMMING. Large clear yellow flowers changing to bronze. At its best in early October. 2 ft.

CRIMSON SPLENDOR. Magnificent and distinct masses of rich crimson flowers with prominent golden centers. 4 inches across. Late September on.

FRANCES WHITTLESEY. Showy bronze and garnet flowers on stocky 18 inch plants. Resists frost well. September and October.

JEAN TREDWAY. Flowers in early September. Sparkling Pink turning to soft lilac pink with age. Very good.

R. MARION HATTON. One of the first to flower. Large Pompon type of bright canary yellow.

MRS. H. HARRISON. Free flowering. Full double pink flowers with creamy yellow center. Early September.

OCTOBER DAWN. Delicate soft daybreak pink without other contrasting colors. Large sized flowers. Early October.

OCTOBER GIRL. Vigorous and prolific in flower. Semi-double flowers opening pink soon turning to lavender. October 1st.

OURAY. Masses of rich coppery bronze Early and of medium height. Extremely hardy. Try this.

RED FLARE. Pompon type maturing in mid October. Bright red flowers with bronze reverse to petals. 20 inches high.

RUTH HATTON. Delicate Lemon Yellow at first turning ivory white. Very frost resistant when in flower. October 10th.

VIVID. American Beauty Red. At its best in late September. Very striking.

WHITE LADY. Early flowering white. Large flowers. September 15th. Low growing.

COLOR in the AUTUMN

KOREAN MUMS

Everyone who has grown the new Korean Chrysanthemums have been more than delighted with the results. By crossing the hardy early flowering wild Korean Chrysanthemums with the colorful garden Varieties a race of early flowering ultra hardy Chrysanthemums has been developed. For the most part these are single flowered varieties but some of the newer ones are semi-double and double.

1937 INTRODUCTIONS

KING MIDAS. A Double Korean of such profusion of flowers and vigor of growth that it is incomparable to any other double Mum. Covered from Late September on with soft yellow flowers fully double flowers 4 inches in diameter. 2½ ft. Very hardy.

THE MOOR. Another double of showy amaranth purple flowers 3 inches in diameter. Freely produced on shapely 2 ft. bushes. September and October.

NANCY COPELAND. A beautiful new single variety with opalescent spectrum red flowers. Strong upright plants literally covered with the 3½ inch flowers in late September. This is recommended instead of the older variety. Mercury.

ALL OF ABOVE 75c each; \$7.50 per doz.

NEW VARIETIES

35c; 3 for 97c; \$3.49 doz.

APHRODITE. Delicate soft pink turning white with age. Flowers 3 to 3½ inches across. October. Be sure to plant this to accentuate the colors of the other Korean types.

FORTUNA. Vigorous hardy plants 2½ feet tall covered in September with unique ox-blood red flowers 3-4 inches in diameter.

HEBE. Lovely luminous pink with golden yellow center. The large flowers are delightfully fragrant and prolific. Early September.

ORION. Brilliant canary yellow a distinct color in single Koreans. The 3 inch flowers are excellent for cutting. 2½ feet.

PSYCHE. Lovely shell pink flowers the largest of the Koreans up to 5 in. across. Vigorous healthy plants. 50c; 3 for \$1.25.

SATURN. Brilliant fragrant orange and bronze flowers enhanced by a soft orange halo about the Golden yellow center. Distinct and beautiful. 50c; 3 for \$1.25.

THALIA. A compact bushy plant only 18 to 24 inches high covered with semi-double flowers of brilliant orange. Early.

VENUS. Lilac pink with rose lavender shadings. Flowers in late September freely produced in shapely sprays. Very fragrant. 2½ ft.

VULCAN. Large semi-double of glowing carmine red turning to bronze crimson. A distinct and hardy variety with a new color combination.

ROCKNOLL NURSERY, FOSTER, OHIO

HEBE

STANDARD VARIETIES

23c; 6 for \$1.19; \$1.89 doz.

Knowing the very real interest in lilies all gardeners have, we are offering the following worthwhile kinds. All are easily grown in any ordinary garden soil.

BATTEMANNIAE. Four to six beautiful glowing apricot colored flowers are borne on three foot stems. Early August finds this at its best. Large bulbs. 35c; \$3.50 doz.

CONCOLOR. A beautiful dwarf lily with upright star shaped deep crimson flowers on 18 inch stems. Excellent in the rock garden. 15c; \$1.50 doz.

CORAL LILY. Another low growing type with nodding flowers and narrow grass-like leaves. Bright coral. June. 10c; \$1.00 doz.; \$3.00 hundred.

CROCEUM. Irish Orangeman Lily. Extremely hardy and easy to grow in sun or shade. Bright showy flowers appear in late June and July. 35c; \$3.50 doz.

HENRYI. A magnificent lily, often reaching 8ft. in height and carrying more than 30 rich apricot orange flowers when established. Plant in a location protected from winds. Flowers in late August and September. 30c; \$3.00 doz.; \$25.00 hundred.

MARTAGON.—Turk's Cap Lily. A strong growing lily often producing 25 flowers of light purple color. A distinct lily that should be grown more frequently. 40c; \$4.00 doz.

LILIUM UMBELLATUM

PHILIPPINE LILY. The last Lily to flower—August to November—and quite unique in sending up 3 to 4 flowering spikes with 5 or more beautiful white flowers. 20c; \$2.00 doz.; \$16.00 hundred.

POMPONUM.—Red Turk's Cap Lily. A brilliant Red Lily from the mountains of Northern Italy. Grows 4 ft. tall bearing 10 to 12 wax like flowers. Unusual but will grow under ordinary culture. 85c each.

REGALE. The finest lily grown, large of growth, hardiness and dependability. Each year larger and finer flowers will be produced. Small bulbs 10c; \$1.00 doz.; \$8.00 hundred. Large bulbs 20c; \$2.00 doz.; \$16.00 hundred. Mammoth bulbs 50c; \$5.00 doz.; \$40.00 hundred.

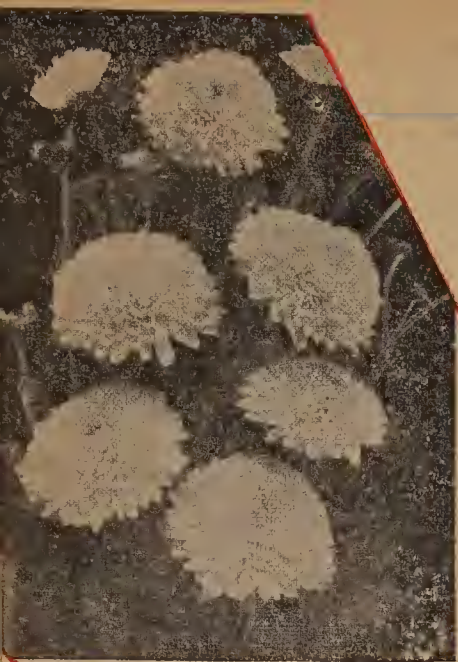

RUBRUM MAGNIFICUM.—Speciosum. Of vigorous growth and beautiful ruby-carmine flowers with a white margin. 25c; \$2.50 doz.

TIGRINUM.—True Tiger Lily. Easy and well known. Brilliant salmon scarlet with black spots. August to September. 15c; \$1.50 doz.; \$12.00 hundred.

UMBELLATUM. Free flowering and of easiest culture. Flowers at Decoration Day with showy umbellate heads of orange red flowers. 20c; \$2.00 doz.; \$17.00 hundred.

Don't Miss This!

NANKEEN LILY.—*Lilium testaceum* or *Excelsum*. Perhaps the most beautiful and sought after of all Lily Bulbs. Flowers of warm rich apricot color borne on graceful 4 foot stems. Resembles the Madonna lily in style of growth and should only be transplanted in late August and September. Bulbs ordered now for September delivery at these low prices. Best top sized bulbs. 75c; \$7.50 doz.

DAY LILIES--*Hemerocallis*

-[For Summer Bloom]-

In recent years the Day Lilies or Lemon Lilies have deservedly come to the fore in public attention, because they flower in those months when hardy flowers are most needed, Late June, July and August. There are many new varieties, but some of the older ones are just as good.

APRICOT. Clear apricot shade on the outer petals shading to a rich deep orange thruout. Extra large flowers on graceful stems in early June. 25c; 3 for 89c.

DR. REGEL. May flowering. Deep golden yellow flowers closely resembling large lilies. Good. 16c; 4 for 43c; \$1.39 doz.

FLAVA. Large colorful bright yellow trumpets in late June. Strong grower. 3 ft. 15c; 3 for 39c; \$1.39 doz.

GOLD DUST. First to flower in Early May. Outside Brownish gold, inside golden yellow. Distinct. 20c; 6 for 93c; \$1.59 doz.

GOLDENI. Beautiful new variety at its best in Mid July. Its numerous 3 foot stems bear large deep golden yellow lilies. 35c; 3 for 97c.

KWANSO DOUBLE. So far the only worthwhile double. Rich gold tinted with copper. 3 ft. June and July. 19c; \$1.50 doz.

MINOR. For the large rock garden. Lemon yellow flowers on 15 inch stems. June and July. 25c; 5 for \$1.00

MIDDENDORFFI. Clear large lemon yellow flowers lasting well into July. One of the tallest and stateliest varieties. 22c; 3 for 59c; \$1.59 doz.

MRS. J. R. MANN. Handsome clear yellow flowers in August. One of the very finest New Hybrids. 3½ ft. tall. 50c; 3 for \$1.19.

THE GEM. Large neat flowers of rich deep apricot yellow. 3½ ft. tall flowers in June and July. Truly a Gem. 35c; 3 for 97c

THUNBERGI. Very late flowering with distinct bright orange flowers of surprising size. An older variety but unequaled. 16c; \$1.45 doz.

IRIS

DWARF IRIS

15c; 3 for 39c; \$1.39 doz.

PUMILA ATROVIOLOACEA. 6 inches high with lavender violet flowers in April.

ORANGE QUEEN. 7 inches. Rich golden yellow.

CYANEA. Later. Deep violet. Dwarf.

COERULEA. Clear sky blue. Early.

If you are interested in Iris please send us a list of the varieties you wish as we can supply most any variety of Iris.

Sweet Williams

17c; 3 for 45c; \$1.39 doz.

NEWPORT PINK, true Salmon Pink rather dwarf growing.

MAMMOTH FLOWERED MIXED. All good colors in a splendid mixture of red, rose, white, pink and maroon.

Rock Roses--*Helianthemum*

Prostrate evergreen shrublets covered with showy flowers the size of a Quarter.

BUTTERCUP. Large semi-double yellow flowers. Free grower. Very dwarf. 20c; 6 for 97c.

BEN NEVIS. Rich glossy green leaves and deep golden flowers with a dark eye. 35c; 3 for 89c.

CLARA MIDDLETON. 12 inches high. Showy flowers single rich orange. 25c; 5 for \$1.00.

FIREBALL. Prostrate double bright scarlet flowers. 18c; 3 for 49c; \$1.39 doz.

Scabiosa

ISAAC HOUSE HYBRIDS. Large flowers of clear belladonna blue on 18 inch stems. The finest perennial pin-cushion flower. 30c; 4 for \$1.00.

Crimson King Carnation flowers all summer

Colorful Oriental Poppies

The new varieties of Oriental Poppies are without equal for brilliance of color. It usually takes two seasons for poppies to establish but they are worth the effort. In the spring our poppies are strong potted plants that if planted early will flower the same year.

BEAUTY OF LIVERMERE. Free flowering. Finest rich dark crimson with black blotch in center. 25c; 5 for \$1.00

DAINTY LADY. Exquisite crinkly small shell pink flowers. Distinct. 50c; 3 for \$1.25

EDNA PERRY. Clear bright pink 28 in. high. Thrifty grower, good color. 20c; 6 for \$1.00.

JOYCE. Stately cherry red flowers on tall straight strong stems. Most beautiful and showy poppy. 35c; 3 for 89c.

LULU A. NEELY. The finest carmine red Poppy. Vigorous grower and sure to be liked. New. 50c; 3 for \$1.19.

OLYMPIA. Earliest to bloom with small double orange red flowers. May. 15c; 3 for 39c; \$1.39 doz.

ERRY'S WHITE. Fine satiny white flowers blotched maroon at the base. Easy but slow growing. 25c; 5 for \$1.00

WURTEMBERGIA. Immense deep ox blood red flowers. Showy and stately. 20c; 6 for \$1.00; \$1.89 doz.

▶ **RAINBOW POPPY COLLECTION.** 1
Each of 8 new and distinct colors. 8 plants

▶ Rocknoll's Guaranteed ◀

▶ Our Unconditional Guarantee ◀

We unconditionally guarantee our roses to grow and bloom the first year they are in your garden. Should any fail to grow return the rose to us at our cost, with the guarantee marker intact and we will promptly replace.

All guaranteed roses are strong two-year-old plants, lifted and potted. When you receive these roses they will be growing, often with leaves and buds on them.

It costs us more to supply a living, potted, rose but your success will more than repay us.

HYBRID, MONTHLY, EVERFLOWERING TEA ROSES

29c each. \$2.89 doz. \$22.00 hundred

BRIARCLIFF. Beautiful rose pink with fragrant long pointed buds, opening perfect. A free bloomer which lasts long when cut.

E. G. HILL. Th beautiful buds open into large, full, velvety crimson roses. Considered by many as the best Red Rose.

ETOILE de FRANCE. An old favorite with fully double flowers. A beautiful sparkling crimson.

K. A. VICTORIA. The best white Rose, having perfectly formed flowers, exquisitely perfumed.

FRANCIS SCOTT KEY. A really double rose with rich crimson red flowers that last well when cut.

LADY HILLINGTON. Of vigorous growth and free flowering, of copper overlying apricot yellow. Has one of the most beautiful buds in the rose kingdom.

LA CHAMPAGNE. Flowers sparkling yellow, has long distinct buds that keep their form a long time.

MAMAN COCHET. (Pink) Long a favorite with rose growers. Rather low growing plants producing delightful light pink flowers.

PERLE D'OR. A beautiful sturdy growing plant with deep golden yellow flowers. Compact and long lasting.

PRES. HERBERT HOOVER. One of the world's best roses. This new rose has flowers of vivid cerise red, toned with yellow, orange and scarlet. Free flowering and richly perfumed. By all means grow this glorious rose.

PINK RADIANCE. Deservedly the most widely planted rose because it succeeds everywhere and is always covered with lovely pink flowers.

RED RADIANCE. The favorite Red Rose. As hardy and successful as the Pink Radiance. Flowers exquisite cerise red.

SALMON RADIANCE. This third member of the illustrious Radiance Family. Flowers of beautiful salmon pink. Excellent and vigorous garden rose.

SUNBURST. Handsome yellow flowers with deep orange shadings are continually borne on the shapely plants of Sunburst.

TALISMAN. Perhaps the most popular rose in America. Very fine flowering with brilliant orange, red and gold buds, opening in a burst of gold, apricot, and rose red.

ROCKNOLL'S ROSE DUST

The two greatest enemies of roses are black spot and plant lice or aphids. These may be easily controlled in most instances by dusting with ROCKNOLL'S ROSE DUST. Just punch a few holes in the lid of the rose dust box and dust on the plants as from a salt shaker.

1 lb. BOX 45c postpaid

Roses of Proven Hardiness

POLYANTHUS OR BABY ROSES

29c each.

\$2.89 doz.

\$22.00 hundred

These are ideal for planting along steps as a border, or in the rock garden. They are everflowering and the most colorful of all roses.

BABY DOLL.—Tip Top. A veritable beauty, growing at the most 18 in. high, forming perfect buds of crimson with a golden yellow base. This and the next varieties are indispensable for boutonnieres.

CECILE BRUNNER.—Sweetheart Rose. Delightfully fragrant buds of vivid salmon scarlet. One of the most prolific flowering roses known.

GEORGE ELGER. Bushes scarcely 12 inches high, covered all season with perfect intense yellow buds, fully double. The foliage is a lustrous shining green.

GLORIA MUNDII. A bunch flowered baby rose producing hundreds of flowers of intense live crimson with golden stamens.

SWEET VIVID. A new dwarf rose that will be seen extensively next year. Intensely vivid rose flowers with an unbelievably sweet fragrance. Always smothered with flowers. A very few at \$1.00 each.

SWISS ALPINE ROSE—ROSA ROULETTI

THE WORLD'S SMALLEST ROSE

This ideal rose for the rock garden, while growing but six inches high, is always in bloom and has proven the hardiest rose in our gardens. Large plants—35c each, \$3.50 doz. Small plants—20c each, \$1.89 doz.

BORDER YOUR ROSE GARDEN

USE ROSA ROULETTI

For best results with roses they should always be planted in a bed by themselves so that the proper spraying, fertilizing, and care may be given them. What to use as a border for the rose bed is often quite a problem. ROSA ROULETTI planted about 8 inches apart will soon form a low, compact and floriferous border. \$14.00 hundred; \$120.00 thousand.

ROSA ROULETTI

HARDY CLIMBING ROSES

29c; \$2.89 doz.; \$22.00 hundred

DR. W. VAN FLEET. Loved by everyone for its dainty flesh pink buds and graceful flowers. The 15 to 18 inch stems are excellent for cutting.

EMILY GRAY. An easily grown and successful rose noted for its excellent clear yellow flowers.

PAUL'S SCARLET CLIMBER. No other rose is comparable to this either in brilliance of flower, ease of growth, or hardiness. The vivid scarlet, semi-double flowers are borne in clusters up to 20 flowers.

SILVER MOON. A vigorous and healthy plant covered in June with large semi-double white, clematis like flowers often 4½ inches in diameter.

Dormant Field Grown Roses

NOT GUARANTEED

NOT IN STOCK AFTER APRIL 10th

50c; \$5.00 doz.; \$38.00 hundred

Snapdragon

Bedding Petunia

We pride ourselves on growing plants of all the better Annuals for our customers. It is no more difficult to grow the newer varieties than the common-place ones, so we specialize on producing strong, healthy plants of the latest and best kinds. All our Annual plants are started in warm greenhouses, transplanted to the growing flats, and then hardened to outside temperatures in our cold houses.

If you require any special varieties or large quantities please let us know in advance so we may reserve your order. We always have the following varieties in stock, and a few of all the varieties listed as Annual Seed on Page 25.

All plants grown in flats of 100 plants each. Ready May 1 to July 1.

ROCKNOLL NURSERY

FOSTER, OHIO

Rocknoll's Superb Gladiolus

No garden should be without a few Glad bulbs. There is no group of plants costing so little and so easily grown that will give an equal amount of beautiful flowers for the garden, or for cutting. Four planting of Gladiolus bulbs should be made, between May 1 and July 1. By doing this a full 2½ month flowering season may be had. We offer only standard garden tested varieties that will give you an abundance of bloom.

TOP SIZE BULBS, 35c doz.; \$2.69 per 100; \$22.50 per 1000.

LARGE FLOWERING BULBS, 25c doz.; \$1.89 per 100, \$16.50 per 1000.

APRICOT GLOW. Strong tall grower. Flowers clear apricot. Good.

BETTY NUTHALL. An outstanding new variety. Light coral with pale orange throat.

GIANT NYMPH. Clear soft pink with creamy yellow throat. Very large and showy flowers.

FLAMING SWORD. Early flowering with showy intense deep red flowers.

GOLD EAGLE. Rich yellow flowers on strong stems. Early and a dandy.

GOLDEN DREAM. The best clear pure golden yellow Glad yet introduced. Robust healthy plants.

LAVENDER BRIDE. Beautiful deep rose lavender flowers forming a fine color contrast with yellow and pink.

LOS ANGELES. Beautiful orange flowers tinted pink. Has the cut and come again habit of producing several spikes from the one bulb.

NANCY HANKS. Rich apricot with deep orange pink shadings. Vigorous and robust flowers that stand the summer sun without burning.

SOUVENIR.—Primulinus type. Solid bright Daffodil yellow flowers without other markings. The first gladiolus to flower.

SPECIAL COLLECTION. 6 Dozen Top Size Bulbs in a well balanced mixture containing all the good varieties. 72 bulbs for \$1.97.

JACOB'S COAT COLLECTION. 100 large sized mixed Gladiolus in a splendid array of colors. Only 97c.

Dwarf Evergreens for the Rock Garden

Low growing evergreen woody plants for the most part very slow in growing. They are ideal subjects for the rock garden as they are not invasive and extremely hardy.

DWARF SPRUCE (PICEA)

BIRD NEST SPRUCE. *Picea excelsa nidiformis*. Resembles a closely woven bird's nest. Curious and hardy, 8 inch spread. Balled and burlapped. (Not prepaid).
\$1.25 each.

GREGORY'S SPRUCE. *Picea excelsa gregoryana*. Extremely slow-growing and compact. Forms a tight spiny ball, 6-8 inch spread. Balled and burlapped. (Not prepaid).
\$1.25 each.

PIGMY SPRUCE. *Picea excelsa pygmaea*. Tight low growing pigmy spruce resembles curled porcupine. Small. 55c; 3 for \$1.25.

DWARF ALBERTA SPRUCE. *Picea albertiana conica*. Grows in compact cone shape. Shiny glaucous blue foliage. Showy.

Small plants, 75c; 2 for \$1.39.

2 ft. specimens, balled and burlapped
(Not prepaid) \$5.00 each.

WINTER FLOWERING HEATHER

ERICA CARNEA. Austrian heather. Produces sprigs of beautiful pink bells in mid-winter on 10-12 inch bushlets. The only heather that will endure lime soils. 3 year old field grown plants (Not prepaid)
55c each; 3 for \$1.25.

DWARF JAPANESE TREES
